

iMin D3(Premium)

DESKTOP POS

- Dual-screen display option seamlessly closes the gap with your customer
- HD display screen for quality graphics
- Compatible with devices including cash drawers, scanners, printers, and more
- Conveniently attach other devices with multiple peripheral ports including USB Type A, Micro-USB, and TF card

The iMin D3 has three screen configuration options, customisable to your business needs. The D3 is multi-functional and highly compatible with external devices. Best for businesses looking for a sleek and minimal POS system which takes up less space.
